

# UNPARALLELED SERVICE, UNIVERSAL EXPERIENCE.

At K&L Gates, service matters a great deal to us. It's why we've built the most integrated set of lawyers and offices of any law firm in the world. It's why we are consistently ranked as one of the top law firms in the world for client service.

But unlike other firms, we see service as a means to an end, rather than an end in itself. The end result is that we are able to deliver an experience that is consistent and seamless across our global platform—an experience that far surpasses any other law firm.
